

M5 Connectors

Amphenol LTW

COMING
SOON

SMALL CONNECTOR, BIG IMPACT

- ✓ Suitable for Miniature Sensor Market
- ✓ Suitable for Vibration Applications
- ✓ Secure and Reliable Signal/Data Transmission
- ✓ Compact and Ruggedized for Harsh Environment

UL94V-0

IP67, IP68
IP69K

Harsh
Environment

RoHS
Compliant

Medical Equipment

General Characteristics

- 3 and 4 Contacts, “**UHD**” (Ultra High Density) upon request
- Metal Thread Locking According To IEC 61076-2-105
- Durability > 100 cycles
- Operating Voltage (AC/DC) 60V
- Salt Spray 48h
- Meets IP67, IP68 and IP69K Ingress Protection
- Available In Receptacle, Receptacle with wire, Cable & Accessory
